

We are once again blessed to be able to donate 100% of our offering on November 24th.

This year we will be giving to:

Encompass Crisis Response – *Equipping the Church to be the light in crises.* Our supported missionary, Barb Wooler, works with ministry.

H₂O Network – H₂O is a collection of college churches that seek to bring the timeless message of Christ to the University setting. Jason Slack is part of this ministry.

Richland Pregnancy Services – *A shoulder to lean on.* RPS offers pregnancy and parenting counselling to women and men.

Destiny Rescue – Rescuing children from sexual exploitation and human trafficking and equipping them to stay free.
